

As we enter the next phase of lockdown restrictions being relaxed, we have taken the time to consider how we can best support the village going forward.

We know that there are a number of villagers who will need to continue to self-isolate to protect themselves and their families. We also know that there will be people who need to self-isolate because they have symptoms, or have been contacted through the track and trace process.

We want to reassure you that we will continue to offer the same level of support in the delivery of essentials including prescriptions for anyone who needs it.

However, as demand has naturally decreased, and many of our volunteers return to work we have made some changes to how to access support. We will continue to review demand for all services and how we can best meet need.

DELIVERIES FROM THE VILLAGE SHOP

From the end of the month our volunteers will no longer be in the village shop taking orders. This has been an invaluable service to many and we thank Tim and his team, and our committed volunteers for making this possible.

- The final day for orders directly from the shop will be Friday 26th June.
Newspaper deliveries will end on Saturday 27th June.

- From Monday 29th June if you need a delivery of shopping from the village shop please call Rachael at Ketton Good Neighbours Scheme on 07517 798 397.
She will work with staff at the shop, and volunteers, to help you.

OTHER SUPPORT REMAINS UNCHANGED

Please call Rachael on 07517 798 397 between 9am-6pm for:

- Prescription delivery and collection:

This support has been very well used and we are pleased to be able to continue to collect prescriptions from the four local surgeries (Stamford Surgeries, Empingham and Uppingham)

- Check and Chat:

If you are feeling lonely, isolated or overwhelmed or would just welcome a friendly chat, we can link you with someone for a one off, or regular call

FEEDBACK FROM YOU

This project has been so well received that we hope it will continue in some shape in the future. Please let us know by emailing us at kettontogether@outlook.com, by telephoning Rachael or leaving a note in the parish office. **YOUR FEEDBACK IS IMPORTANT!**

OUR THANKS TO OUR MANY VOLUNTEERS

The response from volunteers has been magnificent from the very first day. Over 100 individuals volunteered and have given so much of their time and energy to make the Ketton Together Project so helpful and focussed on the many needs of our neighbours. Simply put, the project would have been nothing without our volunteers and all of us in Ketton owe them all a great debt of gratitude. **THANK YOU!**

The Ketton Together team send you their best wishes and we hope that we have contributed in some small way to making these difficult times a little easier to live through.

The Ketton Together team:

Mary Cade, Shirley Hart, Rachael Leverton, Alison Lyons, Jenny Rogers, Sinclair Rogers and all the volunteers.
